CREDITS and REBATES

Congratulations on obtaining your Relocation TRIP® Kit. This Kit provides departure, transition, destination, and settling-in services, including a Personal Relocation Counselor, service use credits, and rebates. You will be working with me as your Personal Relocation Counselor.

I will contact the people listed below, however I thought you should know who I am working with on your behalf for necessary services. **If you contact these providers directly, be sure to identify that you are a Relocation TRIP® Kit transferee.**

You will receive cash and service use credit and benefits as follows. Read this information carefully:

Homes valued in excess of \$400,000 will have larger rebates.
